INTERWOVEN VINYL FLOORING

WOVON

INTERWOVEN VINYL FLOORING

The Wovon collection of interwoven vinyl flooring provides a unique opportunity to explore new textures and patterns with extraordinary depth and sophisticated aesthetics. A collection of diverse weave designs offer a varied yet unmistakable textile structure which naturally interacts with ambient light to bring a room to life. With the advantages of a heavy commercial vinyl construction the Wovon collection is a hard wearing, low maintenance option for commercial and residential locations looking for contemporary woven flooring designs.

SECTORS

The versatility of the Wovon collection with a tactile, yet highly durable design offers the perfect solution for a broad range of diverse commercial and residential spaces. Suitable for use in heavy commercial locations with high footfall, Wovon interwoven vinyl flooring is a contemporary low maintenance alternative to traditional textile flooring options in a wide range of use areas including:

OFFICE

Office environments require floor coverings that are both aesthetically engaging yet highly durable and easy to maintain. The interwoven structure of Wovon flooring is stimulating and stylish allowing the creation of inspiring workspaces.

RETAIL

Retail spaces are designed to offer a creative, commercial reflection of brand identity. The forward thinking design of Wovon flooring combined with its ability to withstand heavy foot traffic is the perfect match enabling the design of beautiful, captivating retail environments.

HOTELS

Contemporary hotel design requires interior spaces to communicate a welcoming ambiance whilst retaining visual impact. The tactile interwoven structure of Wovon flooring is the perfect solution, offering a unique aesthetic effect whilst retaining a textile feel which is comfortable underfoot.

WOVON — KEY PERFORMANCE BENEFITS

LOW MAINTENANCE

Wovon is engineered to offer a simple and straight-forward maintenance regime. Routine maintenance includes simply sweeping or vacuuming the floor and spot cleaning where necessary.

STAIN RESISTANCE

The vinyl construction of Wovon flooring is resistant to most contaminants providing that spillages are quickly treated in accordance with maintenance instructions.

DURABILITY

Wovon flooring has a heavy commercial use area classification illustrating its suitability for specification in high footfall commercial locations. Durability is assured with a standard 10 year commercial use guarantee.

WATER RESISTANCE

Wovon flooring is naturally water resistant, making it a good alternative to traditional textile materials in areas with a risk of spillage.

SUSTAINABILITY

Wovon interwoven vinyl flooring is a sustainable product choice which is both 100% recyclable and Phthalate free.

LOW VOC

Wovon is a low VOC product, assuring indoor air quality (AgBB VOC test – pass, low emissions).

EASE OF FITTING

The design of Wovon interwoven vinyl flooring is intricate and complex however, the fitting method is as per standard vinyl tile installation enabling a fast and straightforward turnaround.

SERVICE

The Wovon collection is supported with Polyflor’s usual high levels of service ensuring:

Excellent product availability.
